DIRECTIONS FOR DETERMINING ELIGIBILITY

**When you count eligible persons (see charts) be
sure to exclude:**

- those individuals who are appropriately up to date on their pneumococcal and influenza vaccinations according to ACIP guidelines;
- the vaccine is contraindicated;
- it is against his/her religious beliefs; or
- the resident/employee's legal guardian refused the vaccine after being fully informed of the health risks of such action.

Include:

- new admissions
- transfers
- those who may have been excluded in the past for health or other reasons, but are now eligible.
